

Anesthesia for Childbirth

A Question and Answer Session for Expectant Parents with an Obstetric Anesthesiologist

Do you have questions about the anesthesia used during childbirth?

We invite you to a free session detailing how we keep you safe and comfortable during labor and delivery.

Sessions are held on the last Thursday in February, May, August, and the third Thursday in November.

6:30 p.m. - 7:30 p.m.

For your convenience, we offer these sessions via Zoom.

Please call 617-667-3112 to register for this FREE session.
