THURSDAY, MARCH 5 | 6:30–8:00 pm

Fenway Health Auditorium
1340 Boylston Street, 10th floor, Boston

Join us for a screening and panel discussion of the short film “Trans Dudes with Lady Cancer” and the experiences of transmasculine individuals within gendered medical systems. This screening and discussion is open to anyone interested in learning more, including trans and gender diverse individuals, their loved ones, and allies.

For questions about this screening at Fenway Health, please contact us at:

transhealth@fenwayhealth.org or 857.313.6589.
